

Gender/Sexuality

1. What is the difference between gender and sexuality?
2. Have you ever felt like you couldn't do something because of your gender? How did you handle it?
3. Do you feel like your body matches how you feel on the inside? What would it be like if it did or didn't?
4. Do you choose to define yourself based on your sexuality?
5. What labels, if any, do you assign yourself? What labels do others assign you? How do these impact you?
6. Why do you think it's so difficult to talk about sexuality?
7. Have you ever been judged based on your gender or sexuality? What did it feel like? How did you respond?
8. What are some of the stereotypes that the media creates about gender? How does it impact your perception of yourself?
9. What experiences have you had with gender bias?
10. What do you think would happen if you were honest with others about your gender and sexual identity?
