

Money

1. Do you think if you work hard enough you'll be able to achieve anything?
2. How does having money make a person's life easier?
3. How does the amount of money your family has impact your life?
4. Do you think money is important?
5. Do you get treated differently based on the amount of money your family has? How so?
6. What does it mean to experience poverty?
7. How do you think your life would be different if your family had more money?
8. How do you think your school would be different if your school had more money?
9. What is something you wish you could have afforded, but couldn't?
10. What is something you want to buy for yourself when you grow up?
