

Parent Illness

1. What was it like before your parent got sick?
2. How has your life changed since your parent has gotten sick?
3. What does being healthy mean to you? How do you stay healthy?
4. What have you learned from your parent being sick?
5. Who can you talk to that understands your situation?
6. How can you make the most of the time you have with your parent?
7. Do you have to help take care of your parent or siblings? How?
8. How do you take care of yourself?
9. Is there anything you wish you could talk to your parent about, but feel like you can't because of their illness?
10. How would your life be different if your parent wasn't sick?
11. Who supports you and your family?
