

## Relationships/Friendships

1. How do you deal with rejection? How can you be better at dealing with it?
2. Do I feel better about myself when I'm in a romantic relationship? Why or why not?
3. Who in your life genuinely supports you? How do you know?
4. Who do you trust? Why do you trust them?
5. Does your mood change based on who you are around? What about certain people changes your mood?
6. Who matters most to you in your life? Why?
7. What is the nicest thing anyone has ever done for you?
8. What do you think it means to be a good friend?
9. What do you think it means to be a good girlfriend/boyfriend/partner?
10. Who do you consider your closest friend and why?
11. Described a time when you helped someone you care about.
